

QAPI Certified Professional (QCP®) Certification Workshop

An effective QAPI process and program will take you beyond compliance and enable your facility to truly transform the care you provide residents. Increase your knowledge by attending a QAPI Certified Professional (QCP®) workshop that will help you prepare for the comprehensive QCP certification exam.

To implement quality assurance and process improvement (QAPI) strategies in long-term care effectively, you need strong nurse leadership. To achieve that leadership, follow the QAPI principles taught in this course to help you fulfill your mission to provide the best possible care and quality of life for your residents.

Courses

- Implement the five elements of the QAPI program
- Evaluate your facility and create an ongoing improvement plan for your facility
- Improve your team's understanding and involvement in the process
- Apply the QAPI principles effectively
- Lead your team in QAPI initiatives
