

Resident Assessment Coordinator Certified Advanced (RAC-CTASM) Certification Workshop - Including PDPM

Take your experience to a higher level with RAC-CTA certification

For the MDS professionals looking to take their experience to a higher level, AAPACN's Resident Assessment Coordinator – Certified Advanced (RAC-CTASM) education program and certification provides advanced principles of clinical reimbursement, Medicare program compliance and integrity, RAI/MDS program integrity, leadership, ethical practice, managing medical review, accurate ICD-10 diagnosis coding, advanced strategies for payment oversight, and improving a facility's quality measurement in all CMS quality programs.

Who should take this course?

Whether you are a clinical reimbursement specialist in a regional, state, or national consultant, or are a professional in any aspect of MDS and Medicare compliance and oversight, this program will help you excel as a reimbursement leader.
